Degree Program Update

List your current degree program in the first column, then list your entire degree program exactly as you want it to appear on your records in the second column. **Only the information you include in the second column will appear on your records after this update is processed.**

Please note:

- Some majors and minors required division approval. See reverse for additional information.
- A concentration or pattern is required for Business Administration, Communication, Exercise Science, Health Science, and Music: General Concentrations majors. Students pursuing all other majors should leave these fields blank.
- Your catalog year will affect the requirements for your degree. A student's default catalog is the catalog for the year he/she entered Truman. Students may move up to a newer catalog, but may not move back.
